TERMS AND CONDITIONS

All hire contracts will require a deposit. The deposit is 30% of the hire amount. The deposit will be refunded once all hire products are returned and checked. This will be no later than one week from the return date.

All rental items are to be returned within 72 hours after the conclusion of your ceremony. A 10% penalty will be deducted from your deposit daily for late returns.

Freight to and from your destination is the responsibility of the hirer. We can arrange to have the goods shipped to you, if necessary, and we choose to use Australia Post as our preferred shipper. You will be charged freight to deliver goods to you. If you have a shipping preference, please coordinate with us and we will have your order ready for your preferred shipper to pickup. Returning goods, we expect that you will use Australia Post (with tracking). Goods not returned within one week will be presumed sold

to your school and an invoice will be sent to your school for payment. Part payment of the invoice will be deducted from your security deposit.

Please check ALL items upon delivery to ensure that they are in good order. Let us know if there is a problem. Once your order has been returned, it will be checked for damage. Any items that are returned and deemed to be damaged or unusable, will be charged to the customer. This will be taken out of the 30% deposit and any balance left will be returned to the customer.

All hire gowns are BLACK. If you wish to arrange a different colour for your school function, see our swatches for available colourways. We require a 3-year rental contract to be signed if you would like to have a custom colour rental product range prepared for your school.
